Why the College Bookstore?

Dedication

Miss Elizabeth Klatt

As head of the Guidance Department, Miss Klatt plays a very important role in our life at Amity. Few students realize how much she affects what we do in school and what we will do in the future. Her value should not be measured in terms of personal relationships, but in terms of the selfless hard work she has done for us in her many years at Amity. Few people take as much pride in their work as does Miss Klatt or deserve more recognition and thanks.

It has been said that there are two ways of spreading light: being the candle or the mirror reflecting it. For many years, Amity has served as the mirror, forever reflecting the ideas and dreams as well as the strength and spirit of the many images within it. It exists not to create but rather to encourage and strengthen these images, to extend the brilliance of its reflections.

In the three years that we have been at Amity, each one of us has stood in front of that mirror at least once, hoping to catch a glimpse of his own reflection. Some have been lucky enough to see it clearly and distinctly, unmistakably as theirs. Others have seen only blurs, their reflections being lost among those of countless others.

Still others have not yet seen the reflection. But no one can doubt its existence. It is there. It waits. Once claimed, this reflection as well as a part of that Amity brilliance is yours, remaining with you forever as feelings, thoughts . . . memories.

Miss Warner,
It's been nice
knowing you.
I hope I see you
next year. Have
a good summer,

Superlatives are not sufficient to describe the achievements of the 1978 Amity Football Team. Finishing the regular season with a 9-0-1 record and the Housy Championship, the team then played in the Class LL State Championship Game and ended Ansonia's 36 game win streak by the score of 35-20. The Spartans finished as the only undefeated team in the state in addition to being crowned Class LL State Champs and being ranked as the #1 team in the state by the Register State Poll. They were also ranked #3 in New England and #32 in the nation.

First year Head Coach Bill Johnson and his assistants Jack Coughlin, Bert Mozealous and Dave Barone are to be commended for their fantastic job this year.

All three of this year's captains, Rich Lena, Joe Margolis and Rick DelBuono, along with Tom Crocco, were selected to the All-Housatonic League team. Kyle Perry and Eric Emanuelson represented the underrated offensive line by receiving All-Housy and All-State Honorable Mention, along with kicker Joe Carasone.

Amity had the most personnel of any team on the All-State squad. Again, all three captains, DelBuono, Lena and Margolis were selected. Tom Crocco was picked for 2nd team All-State. Rich Lena also was named Register Player of the Week and was chosen Outstanding Player of the Year by the Yale Gridiron Club.

A fitting conclusion to this amazing year came when the Walter Camp Football Foundation selected Amity as the 1978 High School Team of the Year. Amity Football PRIDE prevails.

"Dynasty" is the word which comes to mind when Amity Swimming is mentioned. The Spartans have held the Housatonic League title for the past six years, and they finished their season this year with a perfect 15-0 record. Early in November, Coach Burns prepared his swimmers for the meet against Notre Dame, the one team that could possibly prevent them from going undefeated. The hard work and dedication paid off. On January 6, at Beecher Pool, the Spartans soundly defeated N.D. and emerged as the dominant swimming power in the area. Stunning victories over Hamden and Chesire, the latter by a score of 100-72, came at home before screaming crowds as well.

Sophomore Peter Scharer's performances are worthy of note. He set school and pool records in the 200 and 500 yard freestyle events. Brett and Jim Gabriel took first and second respectively in the Housatonic League Diving Championship. Captain Jeff Hock continued his superlative swimming, while his co-captains John Scharer and Jeff Zeller, along with the other senior team members, provided the Spartans with the experience and depth needed to maintain their successful record.

This year's Basketball Team turned in a sparkling season under Head Coach Taylor. Disciplined coaching, balanced scoring and a strong bench were all essential in attaining the 11-9 record. The team qualified for the CIAC Tournament for the first time in four years under the leadership of senior Co-Captains Jeff Lassen and Roger Fishman. Senior Kirby Smith was outstanding as the team's center and leading rebounder. First year Coach Mengold also did a superb job with the Junior Varsity. This year's high point was the victory over Cheshire 74-72. The team expects another fine season behind juniors Mike Flaumenhaft and Andy Gambardella.

Although this was to be a rebuilding year, the Hockey Team surprisingly stepped forward as a leading contender for the Housy title. The Spartans started out fast, winning the first 8 games. Top offensive threats were Tim Doheny and Dave Kozak with 17 and 25 goals respectively. The defense was led by Howie Gartland, Lance Porto and Captain Matt Luce. The team lost several close games in overtime and ended the regular season 13-6, qualifying for the CIAC Tournament. They finished tenth in the tourney.

Congratulations to the team, Coach Ken Oliver and special thanks to retiring Head Coach Hal Smullen.

Golf

Howie Gartland, Steve Gedansky, Bob Rosenthal, Mike Ryan, Hal Smullen (Coach).

Amity's smallest but most successful team is the Golf Team. The owners of the Housy crown the past three years and the LL State Championship last year will be led by two returning starters. Coming back will be Captain Bob Rosenthal and Mike Ryan. The team has a tough act to follow. They enter the season with 50 consecutive victories and hope to continue this dynasty playing with Woodbridge Country Club as their home course.

Led by captain Suzy Klein and returning starters Joanne Healey and Sandy Gonzalez, the girls hope to repeat their outstanding performance. Embers

. . . and so ends the work of the 1979 *Embers* Editorial staff. What you see before you is the end result of a year and a half's work—of many sleepless nights, of insane determination and, yes, even of absolute hysteria. We have undergone a wide range of experiences which we cannot begin to relate. As with all things, some of these experiences have been truly rewarding, but there are others we would like to forget. We sometimes wonder why we volunteered for this job, but we wouldn't trade it for a million dollars . . . and we wouldn't do it again for two million.
